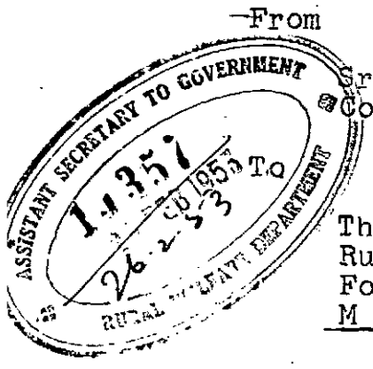
S. K. Collector's Office,
Mangalore dated 24.2.1953.

From

Sri C. A. Ramakrishnan, I.C.S.,
Collector of South Kanara.



To

The Secretary to Government,
Rural Welfare Department,
Fort St. George,
Madras 9.

Sir,

Establishment - (South Kanara) - Temporary Rural Reconstruction work in selected firkas and centres - Appointment of an additional supervisor and peon for Sullia firka for 3 months from 1.3.1953 - recommended.

****

In this office Ref. B7. 30016/52 dated 19.2.1953, I have recommended the retention of the existing staff of one Supervisor and his peon for a further period of one year from 1.4.1953.

The Rural Welfare Officer Mangalore and the Divisional Engineer (H) South Kanara Mangalore states that estimates in respect of cross drainage works (viz. causeways, culverts and bridges etc.) in Jalsoor Subramania road, Sonageri Iyyanakatta Road and Bellare Subramania road in the newly selected Sullia Firka have to be completed very soon and the works have to be taken up immediately before the next monsoon. The existing Supervisor with the extensive jurisdiction comprising Mulky, Manjeshwar and Kumbla firkas and Nileshwar Area of Payyanur centre will not be able to attend to any work in time in Sullia Firka.

The Deputy Director of R.W.S. desires that as the works under communications occupy a place of utmost necessity in Sullia Firka which is in Malnad area, a special supervisor, may be appointed for this firka for a period of 3 months with a view to speed up the preparation of estimates and also to complete the works before the next monsoon. I agree with the opinion expressed by the Deputy Director of R.W.S.

I therefore request that the Government may be pleased to sanction the appointment of a special Supervisor and a peon at the usual scales of pay for Sullia Firka for a period of 3 months from 1.3.53 or till the necessity for the appointment ceases whichever is earlier.

Yours faithfully,

For Collector.

With reference to the Government Memo cited above, I have to state that the Superintending Engineer Highways IV Circle has reported that there is enough work for an additional Supervisor. I therefore request that the Government may be pleased to sanction the appointment of one Special Supervisor and one peon for Sullia firka for a period of 3 months from the date of appointment. Copy of the Superintending Engineer's letter is also enclosed.

With reference to the above, I wish to submit that even if a Supervisor is posted now no work can be completed by 31-5-53 across any river, as there are only 2 months for the monsoon to begin. However thereis enough work for an additional Supervisor if a suitable hand can be found though not in 3 months.
